

Care for M.O.M. (Mothers of the Military)

Visit your local American Legion Auxiliary Unit for information on Auxiliary support for M.O.M. and to learn how you can help!

Program objectives

To support the material maternity needs of military service members, veterans and their pregnant spouses.

To provide assistance obtaining items necessary for safe transport from hospital to home (car seat, clothes, etc)

To provide assistance meeting ad hoc needs of new mothers.

To provide emergency financial support as needed to pregnant mothers.

To support new mothers in adjusting to the needs of their new born babies.

Care for M.O.M.

Do you know of a military veteran, active service person or spouse that is pregnant or in need of assistance obtaining basic maternity care items? The American Legion Auxiliary Call 2 Service Corps Project Oregon wants to work with our communities to “Care for M.O.M.”, a program designed to serve our troops and their families by helping to meet the basic maternity needs of military spouses as well as active and veteran service members that are soon to be mothers.

Who is the American Legion Auxiliary?

American Legion Auxiliary is one of the nation’s oldest patriotic organizations. At 90 years old, the Auxiliary represents 8,900 communities with nearly a million members.

DURATION:

November 1st, 2009 – December 31st, 2009

- Drop off items at an American Legion Auxiliary Unit in your community.
- Donations can be made directly to American Legion Auxiliary Department of Oregon ATT: Care for M.O.M. program.
- Nominate a new mother or M.O.M. to be via email at service@alaoregon.org (please include nominee contact information and nominator information).
