

AMERICA LEGION AUXILIARY
DEPARTMENT OF OREGON

Resolution: Eligibility for American Legion Auxiliary

Submitted By: Maggie LaMont, District 6 President

Date: May 21, 2021

WHEREAS District 6 is concerned about the IRS ruling that membership is restricted to 2 generations of the eligible Veteran.

WHEREAS District 6 would like The American Legion to extend the definition of eligible members to all descendants of eligible Veterans.

WHEREAS District 6 has concerns that the restriction will have a negative effect on the recruitment of new members as many Units have Great-Granddaughters as members.

WHEREAS District 6 believes we should honor all Veterans by continuing to allow membership of their descendants.

THEREFORE, BE IT RESOLVED that the members participating in the 2021 Department of Oregon Convention approve this resolution.

BE IT FURTHER RESOLVED that if approved the Resolution shall be presented to the National American Legion Auxiliary at their 2021 Convention for their consideration.
