

American Legion Auxiliary

In the Spirit of Service Not Self for Veterans, God and Country

To all Unit President's and Secretaries - concerning Member of the Year and Servicewoman of the Year nominations for 2022. For those that don't know, National abolished the Past President's Parley and basically put them in charge of mentoring and promoting membership and leadership.

The Leadership Chairman committee now includes Member of the Year nominations and National Security does Servicewoman of the Year. Our department did not know of this change in time to discuss whether we should change as well, so we still have these two awards listed under the PPP. The bulletin I put out this past fall lists the deadlines for units to send in their nominations and you can find forms on the National Website.. On the bulletin you have the correct address to send entries to, that is me, and I am also asking that units contact their nearest Military Family Readiness Specialist, to ask them to suggest or nominate a Servicewoman of the Year. We hope all units are able to establish a relationship with these people as we can work directly with them to give aid to our Veterans, Military and their Families.

Make sure to send your nomination into me, not National, as department will send our one nominee in. Each unit can nominate one each for Member of the Year and Servicewoman of the Year.

Respectfully,

*Kathi Karnowski
