

Americanism Essay Contest

Let's talk about the Americanism Essay Contest. The rules have changed. The title is the same, just can't use the same essays. I know it is hard to go out in schools at this time, maybe try email or faxing the information.

I would like to challenge the District Presidents to do the Essay at the 12th grade level. Send them to me and they will be judged. I would like to have them done and sent by the 15th of April. That is plenty of time to think about what you want to write about. There will be a prize going to the 1st place winner.

Donna Hartwell
Americanism Chairman
